CHAPTER – 1

INTRODUCTION

The Securities and Exchange Board of India (SEBI) for protection of investors and to regulate the securities market had formulated the SEBI (Prohibition of Insider Trading) Regulations, 2015 (**“The Regulations”**) under the powers conferred on it under the SEBI Act, 1992. The Regulations will come into force on the one hundred and twentieth day from the date of its publication in the Official Gazette i.e. from May 15, 2015 and the same will be made applicable to all companies whose shares are listed on Indian Stock Exchanges.

This Code of Conduct for Prevention of Insider Trading (**“Code”**) of **Dion Global Solutions Limited (“the Company”)** has been framed in accordance with Regulation 9 of the Regulations.

OBJECTIVE

The objective of this Code is to prevent dealing in securities of the Company by any person either on his/her own behalf or on behalf of any other person including but not limited to immediate relatives on the basis of Unpublished Price Sensitive Information (UPSI) and to prevent unauthorized sharing or dissemination of UPSI.

In order to achieve this objective, this Code outlines the prohibitions in relation to Insider Trading as also provides guidance on processes and procedure to be followed when dealing with Company Securities / UPSI. Such processes, if followed, would allow for mitigating controls to be implemented, ensure compliance to regulatory norms as also protect the reputation of the Company / Group while promoting a culture of good governance and integrity.

The Company, its employees and insiders endeavor to preserve the confidentiality of UPSI and to prevent misuse of such information. The Company and its employees are committed to transparency and fairness in dealing with all stakeholders and in ensuring adherence to all applicable laws and regulations.

APPLICABILITY

This Code shall apply to Promoters and all Insiders of the Company.

(i) any person who is or has during the six months prior to the concerned act been associated with the Company, directly or indirectly, in any capacity including by reason of frequent communication with its officers or by being in any contractual, fiduciary or employment relationship, or by being a director, officer or an employee of the Company or holds any position including a professional or business relationship between himself and the Company, whether temporary or permanent, that allows such person, directly or indirectly, access to unpublished price sensitive information or is reasonably expected to allow such access.

(ii) Without prejudice to the generality of the foregoing, the persons falling within the following categories shall be deemed to be connected persons unless the contrary is established:

- (a) an immediate relative of connected persons specified in clause (i) above; or
- (b) a holding company or associate company or subsidiary company; or

(iii) employees and other persons as notified by the Promoter Group Companies from time to time.

This definition is also intended to bring into its ambit persons who may not seemingly occupy any position in a company but are in regular touch with the Company and its officers and are involved in the know of the Company's operations. It is intended to bring within its ambit those who would have access to or could access unpublished price sensitive information about any company or class of companies by virtue of any connection that would put them in possession of unpublished price sensitive information.

(e) **"Designated Employees"**¹ shall include –

- i. Managing Director and Whole-time Director(s) of the Company (by whatever name called for the time being);
- ii. Other Directors of the Company;
- iii. Chief Executive Officer, Chief Financial Officer and Company Secretary of the Company;
- iv. All direct reports of persons mentioned at (i), (ii) & (iii) above;
- v. All Function / Department Heads of the Company; and
- vi. Such other persons as the Compliance Officer may notify from time to time basis seniority and professional designation and role and criticality of function that may entail such person to have availability of UPSI.

(f) **"Director(s)"** means the member of Board of Directors of the Company as in force from time to time.

(g) **"Generally Available Information"** means information that is accessible to the public on a non-discriminatory basis.

Information published on the website of a stock exchange and/or the Company, would ordinarily be considered generally available.

(h) **"Immediate Relative"** means a spouse of a person, and includes parent, sibling, and child of such person or of the spouse, any of whom is either dependent financially on such person, or consults such person in taking decisions relating to trading in securities.

It is intended that the immediate relatives of a "connected person" too become connected persons for purposes of the Regulations.

¹ Refer Clause 3 of Schedule B under Regulation 9 of SEBI (PIT) Regulations, 2015

(i) **“Insider”** means any person who is:

- (i) a connected person, or
- (ii) in possession of or having access to unpublished price sensitive information.

Since “generally available information” is defined, it is intended that anyone in possession of or having access to UPSI should be considered an “insider” regardless of how one came in possession of or had access to such information. Various circumstances are provided for such a person to demonstrate that he has not indulged in insider trading. Therefore, this definition is intended to bring within its reach any person who is in receipt of or has access to UPSI. The onus of showing that a certain person was in possession of or had access to UPSI at the time of trading would, therefore, be on the person leveling the charge after which the person who has traded when in possession of or having access to UPSI may demonstrate that he was not in such possession or that he has not traded or he could not access or that his trading when in possession of such information was squarely covered by the exonerating circumstances.

- (j) **“Key Managerial Personnel” / “KMP”** mean key managerial personnel as defined in the Companies Act 2013 and designated as KMPs by the Company.
- (k) **“Promoter”** shall have the meaning assigned to it under the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009 or any modification thereof;
- (l) **“Regulations”** means SEBI (Prohibition of Insider Trading) Regulations, 2015.
- (m) **“Securities”** shall have the meaning assigned to it under the Securities Contracts (Regulation) Act, 1956 or any modification thereof except units of a mutual fund;
- (n) **“Specified”** means specified by the Board in writing;
- (o) **“Takeover Regulations”** means the Securities and Exchange Board of India (Substantial Acquisitions of Shares and Takeovers) Regulations, 2011 and any amendments thereto;
- (p) **“Trading” / “Dealing in Securities”** means and includes subscribing, buying, selling, dealing, or agreeing to subscribe, buy, sell, deal in any securities, and "trade" shall be construed accordingly;

Under the parliamentary mandate, since the Section 12A (e) and Section 15G of the Act employs the term 'dealing in securities', it is intended to widely define the term “trading” to include dealing. Such a construction is intended to curb the activities based on unpublished price sensitive information which are strictly not buying, selling or subscribing, such as pledging etc. when in possession of unpublished price sensitive information.

- (q) **“Trading day”** means a day on which the recognized stock exchanges are open for trading.
- (r) **“Unpublished Price Sensitive Information” / “UPSI”** means any information, relating to the Company or its Securities, directly or indirectly, that is not generally available which upon becoming generally available, is likely to materially affect the price of the Securities and shall, ordinarily including but not restricted to, information relating to the following:-
- (i) financial results;
 - (ii) dividends;
 - (iii) change in capital structure;
 - (iv) mergers, demergers, acquisitions, delisting, disposal and expansion of business and such other transactions;
 - (v) changes in Key Managerial Personnel; and
 - (vi) material events in accordance with the listing agreement.

It is intended that Information relating to a company or securities, that is not generally available would be unpublished price sensitive information if it is likely to materially affect the price upon coming into the public domain.

- 1.2** Words denoting the singular shall include the plural and vice versa and words denoting masculine gender shall include reference to feminine or neuter gender.
- 1.3** Words and expressions used and not defined in this Code but defined in the Regulations, Act, the Securities Contracts (Regulation) Act, 1956, the Depositories Act, 1996 or the Companies Act, 2013 and rules and regulations made thereunder shall have the meanings respectively assigned to them in such legislation.
- 1.4** Unless the context otherwise requires employee shall mean employee of the Company.

CHAPTER – 2

This clause is intended to cast an obligation on all Insiders who are essentially persons in possession of Unpublished Price Sensitive Information to handle such information with care and to deal with the information with them when transacting their business strictly on a need-to-know basis. It is also intended to lead to organisations developing practices based on need-to-know principles for treatment of information in their possession.

- 2.2.2 ⁴No person shall procure from or cause the communication by any Insider of Unpublished Price Sensitive Information, relating to the Company or Securities listed or proposed to be listed, except in furtherance of legitimate purposes, performance of duties or discharge of legal obligations.

² Refer Clause 1 of Schedule B under Regulation 9 of SEBI (PIT) Regulations, 2015

³ Refer Clause 2 of Schedule B under Regulation 9 & Regulation 3 (1) of SEBI (PIT) Regulations, 2015

⁴ Refer Regulation 3 (2) of SEBI (PIT) Regulations, 2015

This clause is intended to impose a prohibition on unlawfully procuring possession of Unpublished Price Sensitive Information. Inducement and procurement of Unpublished Price Sensitive Information not in furtherance of one's legitimate duties and discharge of obligations would be illegal under this clause.

2.2.3 ⁵Notwithstanding anything contained in clauses 2.2.1 & 2.2.2 above, an Unpublished Price Sensitive Information may be communicated, provided, allowed access to or procured, in connection with a transaction that would:

- (i) entail an obligation to make an open offer under the Takeover Regulations where the Board of Directors of the Company is of informed opinion that the proposed transaction is in the best interests of the Company;

It is intended to acknowledge the necessity of communicating, providing, allowing access to or procuring UPSI for substantial transactions such as takeovers, mergers and acquisitions involving trading in securities and change of control to assess a potential investment. In an open offer under the Takeover Regulations, not only would the same price be made available to all shareholders of the company but also all information necessary to enable an informed divestment or retention decision by the public shareholders is required to be made available to all shareholders in the letter of offer under the Takeover Regulations.

- (ii) not attract the obligation to make an open offer under the Takeover Regulations but where the Board of Directors of the Company is of informed opinion that the proposed transaction is in the best interests of the Company and the information that constitute Unpublished Price Sensitive Information is disseminated to be made generally available at least two trading days prior to the proposed transaction being effected in such form as the Board of Directors may determine.

It is intended to permit communicating, providing, allowing access to or procuring UPSI also in transactions that do not entail an open offer obligation under the Takeover Regulations if it is in the best interests of the Company. The Board of Directors, however, would cause public disclosures of such UPSI well before the proposed transaction to rule out any information asymmetry in the market.

2.2.4 ⁶For the purpose of aforesaid clause 2.2.3, the Board of Directors of the Company shall require the parties to execute agreements to contract confidentiality and non-disclosure obligations on the part of such parties and such parties shall keep information so received confidential, except for the purpose mentioned under

clause 2.2.3, and shall not otherwise trade in securities of the Company when in possession of Unpublished Price Sensitive Information.

2.3.1. ⁷No Insider shall trade in Securities of the Company, when in possession of Unpublished Price Sensitive Information:

Provided that the Insider may trade in the following circumstances: –

- (i) the transaction is an off-market inter-se transfer between Promoters who were in possession of the same Unpublished Price Sensitive Information without being in breach of Clause 2.2 above and both parties had made a conscious and informed trade decision;
- (ii) in the case of non-individual Insiders: –

2.3.2. ⁸In the case of Connected Persons the onus of establishing, that they were not in possession of Unpublished Price Sensitive Information, shall be on such Connected Persons and in other cases, the onus would be on the Board.

When a person who has traded in securities has been in possession of unpublished price sensitive information, his trades would be presumed to have been motivated by the knowledge and awareness of such information in his possession. The reasons for which he trades or the purposes to which he applies the proceeds of the transactions are not intended to be relevant for determining whether a person has violated the clause. He traded when in possession of Unpublished Price Sensitive Information is what would need to be demonstrated at the outset to bring a charge. Once this is established, it would be open to the Insider to prove his innocence by demonstrating the circumstances mentioned in the proviso, failing which he would have violated the prohibition.
